

# Verifying your identity with IRS Self-Service

## 01 What you need to verify:

1. A mobile phone that has a camera or a computer with a webcam.
2. Email Address
3. Government-issued photo ID (driver's license, state ID, passport, etc.)
4. Social Security Number

## 02 Sign in to IRS

1. Go to the IRS application login page.
2. Select Sign in with ID.me.
3. Select multi-factor authentication.

Create a new account

OR

Sign in with an existing account

[Sign in with ID.me](#)

[Sign in with an existing IRS username](#)

## 03 Verify using Self-Service

1. When choosing how to verify your identity, select Self-Service.
2. Follow the prompts to upload your US driver's license or state photo ID.
3. Follow the prompts to take and submit a video selfie.
4. Enter your Social Security number.
5. Review and confirm that all of your information is accurate.
6. Select Allow to finish your identity verification process.

## 04 I couldn't verify using Self-Service

If you are not able to complete the verification process using self-service, you must finish verifying on a scheduled video call with an ID.me Video Chat Agent. No additional software is required.
